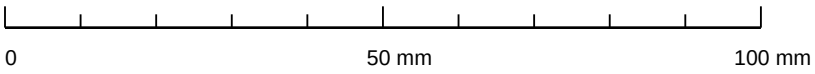
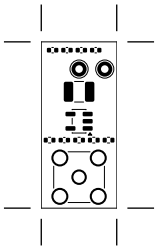
Top side: pads and silkscreen

Place the real parts on the pads to check every footprint before you order.

Print at 100 % (actual size). Do not use "fit to page". The bar below must measure 100 mm.



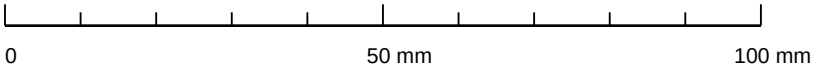


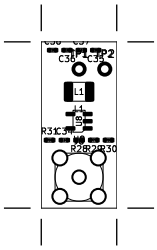
Board outline 10.0 x 22.0 mm. The SMA J6 stands on this side, the piezo goes on the other face.

Top side: pads and reference designators

Use it to find a part. The names are the same as in the schematic and the BOM.

Print at 100 % (actual size). Do not use "fit to page". The bar below must measure 100 mm.



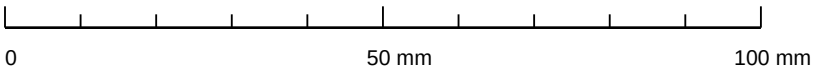


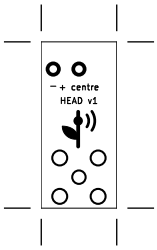
Board outline 10.0 x 22.0 mm. The SMA J6 stands on this side, the piezo goes on the other face.

Bottom side, seen from below (mirrored)

Only the through-hole pins and the ground pour are on this side (on the head board: the face the piezo sits on).

Print at 100 % (actual size). Do not use "fit to page". The bar below must measure 100 mm.





Board outline 10.0 x 22.0 mm. The SMA J6 stands on this side, the piezo goes on the other face.
